THE JUDGES PROMPTLY ACTED.

J. Butler Notified No More Entries Would B Received from His Stable Because of Filling Blackburn with the Tabooed Dope-Agitation and Traitor Disappointments.

Owing to the pronounced plunge made on Binekburn to win the third race at the Island track yesterday Presiding Judge Oyster be came suspicious and instituted inquiries which satisfied him the horse had been given the tabooed dope. Accordingly when Jockey Dorsey appeared with Blackburn on the track he was ordered to return to the paddock and Owner J. Butler notified that no more entries would be received from him, and to take his horses away from the track. All betting was declared off and time given for new booking.

It was patent to everyone that Riackburn was a different horse than his last time out. He was full of ginger, and no doubt would have run like a wild horse yesterday. When Owner Butler appeared in the stand he declared he had only given the horse whisky, and when asked by Judge Oyster what wa the black stuff used replied: "Why, judge, that was only the coffee in the whisky."

In the opening race six maidens contested with Sandstone, an odds on choice. Mollie Davis attempted to make a runaway race of it, but her wind went back on her at the head of the stretch, and Sandstone won in a big gallop by a length, while Mollie Davis was a dozen lengths before Lithograph. Agitation was never better than even money in the twowas never better than even money in the two-year old race, and closed at 4 to 5, but she ould do no better than finish third, Patti

Grand Prix was heavily played at odds on to win the third with Ronald and Some More, both fancied for the place. Grand Prix collared Ronald in the first quarter, and although the latter hung to the turn for home the favorite shook him off, but at the end had to be shaken up to stall off Some More's bold challenge. Ronald managed to beat Head-light two lengths for third.

challenge. Ronald managed to beat Headlight two lengths for third.

Everyone wanted C. O. D. in the fourth and
the latter was backed from 15 to 1 down to
even money, while Kenyon receded from 6 to
5 to 4 to 1. At the close both were quoted at
2 to 1. Kenyon got away in front and was
never headed, winning as he pleased by three
lengths from C. O. D., who bear McDonald a
length. The latter got off none too well and
closed up a lot of ground.

The thail race of the day was generally conceded to Traitor, even money being the best
price on offer, while Mattie Chun and McKeever were nibbled at to win and well

Reever were nibbled at to win and well played for the place. The favorite got away badly, Burns being willing to take any kind of a break. Mattle Chun led from start to finish and won by a length from Traitor with McKeevertuird. Summaries:

Rock Creek Railway to Enter the City Over Metropolitan Tracks.

The Commissioners in a letter to Chairman John T. Heard, of the House District Committee, indorse House bill 7678, authorizing the Rock Creek Railway Company to extend its road and permis it to come into the city over the tracks of the Metropolitan Railroa Company. They say that such a privilege is due the Rock Creek company for the enter-terprise it has already shown in the construc-tion of its roadbed and bridges and in open-ing up a large territory of the District.

"It merits" they say, "the privilege of run ning their cars to the center of the city, and that the right to do so should be granted with as little delay as possible; also that no street car company has any exclusive right in law or in justice to tracks laid in the public law or in justice to tracks laid in the public spaces under a franchise granted without compensation. Riversides Captured the Race for Junior Eights on the Passaic.

TIME MADE WAS VERY PAST

Washington's Representatives Rowed a Game Race and Led for a While, but Were Beaten by a Phenomenal Spurt on the Part of the Cambridge, Mass., Crew.

NEWARK, N. J., July 14 .- This was a fitting day for the annual Middle States regatts there hardly being a riffle on the Passaid the greatest interest was centered in the junior eight, which was started with five crews, from the Potomac Boat Club, Washington; Riverside Boat Club, Cambridge Mass.; Eureka Boat Club, Newark; Wyancke Boat Club, New York, and Triton Boat Club, Newark, respectively. The mile and a half course up stream was rowed. The tide being at dead low, made it anything but roomy for the five crows. It was 2 o'clock when Starte Buschman gave the word to an excellent

start, but Boston and Washington put in great licks, and the Riversides showed in front at the first quarter, cutting a thirty-five shot a length to the good, Boston and Wyanoke holding on well. At the half Riverside spurted, and Wyanoke answered the call. The three leaders were working like a steam ratcht's engines, and the Riversides drew slightly ahead. The pace was still a spurt, with the Cambridge crew drawing away at the

The last quarter was nip and tuck at a tremendous pace, and the Riverside crew finally shot under the Midland bridge at the finish in a burst of speed rarely seen, win-

An idea of the pace is conveyed by the time, which was 8:2834.

HALL WON THE JUNIOR SINGLES. The juntor singles was a four-sided battle between Exley, Hall, Coburn, and Variana. Hall got off first, but it was an even thing for the first quarter. Exley spurted for the lead, but Hall held him safe without apparent effort. Coburn captured the place for a time, but had to give way to Exley. The latter made a great bid for the lead, but Hall answered it, and it was a pretty duel to the line. Hall rowed like a demon and the pair left the other two. Hall crossed a length and a half in front of Exley, with Coburn 12 lengths astern. Exley entered a protest of foul.

Junior singles, final, won by J. S. Hall, Albany R. C. J. R. Exley, ir., Gray's Ferry R. C., second, F. Coburn. Institute B. C., third; C. Varina, Atlanta B. C., fourth. Time—5.52. Intermediate four oared gigs, won by Inthe first quarter. Exley spurted for the lead.

The Fifth Battalion, accompanied by the National Guard Drum Corps, by companies A and C of the Sixth Battalion, and the Engineer, Elevele, and the Ambulance corps will go into camp July 28 on the lawns of Marshall Hall. The whole camp will be under the command of Major Suess, late of the U. S. A., and an officer with extensive knowledge of military affairs. The men are all actively preparing and are enthusiastic over the prospect of such an encampment.

On the 26th instant the question of appoint ing a committee to take charge of the affairs of Bartow L. Walker, recently adjudged insame, will be considered by the court.
